

IF YOUR PHARMACY DOES NOT CARRY THE CHLORHEXIDINE SCRUB CLOTHS...

Please follow one of these options:

1. PURCHASE HIBICLENS AND STERILE GAUZE AT YOUR PHARMACY. Soak the gauze with the Hibiclens and follow the pre-operative skin instructions in your ACL packet.

OR

2. PICK UP THE CHLORHEXIDINE SCRUB CLOTHS AT OUR DME DEPARTMENT. Call Kyle to let them know when you plan on picking up the scrub cloths.
